Health and Care
Professionals of
BC) & brand

CEO, Board &
Committees

One public
registry

WHAT'S STAYING THE SAME ON DAY 1

We're not changing everything on Day 1. Here's what's staying the same, although things like standards of practice, registration renewal requirements and QA programs are likely to change at some point after amalgamation...

Mandate: to regulate in the public interest

Standards of practice, codes of conduct for practice

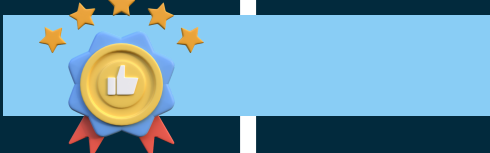

Complaints: enforcement, standards & investigation

Registration/renewal requirements

Health Corporation Permits

QA programs and requirements, timelines

Login for registrant portals
